This session explores the importance of reflection and reflexivity alongside the standards and values associated with 'good' teaching. Learning outcomes to include personality and styles, Ofsted, making effective use of feedback and expectations (school, student, parents).

Mentor and NQT.....The Next Steps

Your Induction Tutor should have completed your second assessment and discussed specific targets to focus on during your final term. Please ensure that you complete the sign off of your assessment online for formal approval.

- Arrange for any lesson observations and a review meeting to discuss your progress. Include any support to help you meet your targets.
- Book any CPD opportunities that you may be entitled to.
- Ensure that your portfolio is up-to-date and evidence of each standard is finalised.

Don't forget to book a place for your end of year celebration on the 24th June 2015!

Hooray, you're now on the home stretch!! With Easter over, we hope you've had a chance to work off all that chocolate and are ready to meet any challenges that lie ahead.

The summer sun brings lots of opportunities for learning outside, so remember to use sun protection and have fun!

Before you know it half-term will be upon you. It is a relatively short one, so keep up the hard work!

When you have successfully completed your final assessment and we have confirmed this with the NCTL, you will receive an e-mail from them with details of how to access your certificate. You can then log in to see confirmation of successful completion and download your induction certificate.

Here's the link to the teacher self-service site run by the NCTL.
